MSF hosts 'social tea' at Subud USA national congress

About forty people took time from their busy schedules to attend the social tea hosted by the Muhammad Subuh Foundation at Subud USA's recent national congress. The newly-appointed national chair, Reynold Bean, plus ISC Secretary, Julia Hurd, were among the local notables. International visitors included Sharif & Tuti Horthy.

A new MSF PowerPoint presentation looped continuously on a laptop in the background whilst attendees leafed through copies of the recent MSF 2007 Annual Report. Coffee, tea and snacks, including some Indonesian delicacies provided by Jasmin Webb (newly returned from her trip to Jakarta), warmed the spirits of everyone.

Thanks go to Lillian Shulman (MSF Administrator), Rohana Alkaitis and Renata Robb (MSF USA National Liaisons) for their assistance in organizing and making this event a success. Special appreciation goes to Jasmin Webb, for bringing copies of the PowerPoint and Annual Report from Jakarta to share at the social, in addition to her Indonesian snacks.

New MSF PowerPoint presentation available

Based on the previous presentation created by Rusdi Bustillo and Simone Paige, the MSF PowerPoint gives an excellent overview of MSF's activities in recent years. English and Spanish versions are available now, with more languages to follow. For copies, please contact Lillian Shulman at lilianshulman@netscape.net

MSF eNEWS: The monthly edition will be temporarily changed to every-other-month due to the heavy time commitment that will be needed to renovate the MSF website.

Munich, Germany

In 1997 the Subud group in Munich acquired a recently built house in Krailing, an upscale suburb of Munich. With a few minor alterations, it is an ideal place for latihan.

As the financial commitment was large for both the group and Subud Germany, MSF's assistance was sought resulting in a 1998 grant of DM10,000 (US \$5,625).

The house has a fully-equipped kitchen and two guestrooms.
